100% Merlot

TASTING NOTES

Lovely combination of fruit forward aromas, with fresh-cut watermelon and strawberry leading the charge along with delicate floral notes of rose petal and cotton candy. It finishes with a distinctive minerality on the palate and a zippy acidity, nicely balanced with a clean and refreshing mouthfeel.

FOOD PAIRINGS AND SERVING TEMPERATURE

The freshness and structure of this wine make it surprisingly versatile. Best served chilled around 7°C, it pairs extremely well with a wide range of food. From a burger and fries to pizza or to even with dishes such as seafood or delicate white meats.
