### DESCRIPTION

Broad entry, straightforward and open on the middle palate, with fresh acidity supporting its juicy mouthfeel and moderate to full tannins with a long, persistent finish. Underlying wood flavors resonate. This reserve-style wine combines intense fruit flavours and spicy notes, with the barrel playing a supporting role. On the palate, the full, round structure complements the fruit characters initially perceived on the nose. This tannic, full-bodied Malbec can be cellared for up to six years.
