**RESIDUAL:** 2.6 g/l

### DESCRIPTION

The colour of our Constantia Cuvee Red is deep dark with violet reflexes at the edges. After a few rounds in the glass the wine shows his wide aroma spectrum. Starting with ripe dark berries he shows also tabak and pepper notes. At the palate the wine impresses immediately with his ripe and compact tannin structure. The ripe tannins are a framework for the ripe fruit. It will be interesting to observe the wine while unfolding its impressive Potential.

Contains Sulfites
