COD: Germany
VOLUME: 750ml
ALCOHOL: 13%

ACIDITY: 5.1 g/l
RESIDUAL: 4.5 g/l
TASTE: Dry
STYLE: Stainless steel

DESCRIPTION

A member of the Burgundian family, probably a mutation from the Pinot Noir / Pinot Noir. Typical Baden grape variety that thrives best on calcareous soils. His wines are very pale with subtle nut and pear aromas and a racy acidity. Connoisseurs appreciate his elegance. Higher must weights, by grape division and stick relief, give it more aromas and structure compared to the White Burgundy ** dry. At the Durlacher Turmberg the most popular Burgundian variant.
