**PRODUCER:** MONTESQUIUS

**VOLUME:** 750ml

**COD:** Spain

**VARIETAL:** 65% Xarel·lo,

**REGION:** Alt Penedès

35% Chardonnay

### DESCRIPTION

The grapes used to make this wine come exclusively from vineyards in the Alt Penedès region. They are hand-harvested into plastic containers that hold up to 15 kg. The whole grapes are then slowly pressed, and the must – protected from oxidation – gets separated from the grape solids, facilitating natural sedimentation. Recently disgorged.

Blanc Coupage has a brilliant golden colour. The aromas are complex, including apple, pineapple, herbs, wildflowers and some salty mineral notes. The structure is delicate yet enveloping, showing toasted notes from the Chardonnay.
