DESCRIPTION

This cava was made with Xarel·lo grapes from the Cuquet vineyard, Macabeo grapes from the Marcera vineyard and Parellada and Chardonnay grapes from the Ventura vineyard. The grapes were hand-harvested into small boxes during September and October, and the must was extracted on the day of harvest.

Thanks to high average temperatures and a very dry summer, the 2008 vintage is wonderfully fresh and has excellent acidity. The bottle-ageing process began in January 2009. Recently disgorged. No added sugar.
