DESCRIPTION

Bright ruby red! Nice nose, floral and damson fruit, the attack is so sweet! Sweet Black Raspberry, Cloudberry jam and sweetened blackcurrant/cassis flavours, its light and silky on the palate but loads of sweet berry fruit fills the palate with elements of sweet spice. Well balanced body, elegant, delicate and supple with integrated tannins. A long and persistent finish

GASTRONOMIC SUGGESTIONS

With grilled red meat, soft cheese, or even on its own!
