

ROSAT MERLOT

PRODUCER: MONTESQUIUS

VOLUME: 750ml

COD: Spain

VARIETAL: 85% Merlot,

REGION: Can Cartró

15% Montastrell

DESCRIPTION

The Merlot and Mourvèdre grapes used to make this wine come from vineyards in the Can Cartró region. They are hand-harvested into plastic containers that hold up to 15 kg. After careful sorting, the whole clusters are slowly pressed. The must is then placed in stainless steel tanks for 15 to 20 days of fermentation at a temperature of between 28°C and 30°C. Recently disgorged.

This seductive, elegant wine shows complex aromas of stone fruits – peaches and plums – and coffee liqueur. The flavour is enveloping with smooth, silky tannins and a long finish that is elegant and fresh with notes of balsam and spice.
