

MOTYUM INZOLIA

PRODUCER: Civias

COD: Italy

REGION: Agrigento, Palermo

VARIETAL: 100% Inzolia

VOLUME: 750ml

DESCRIPTION

Colour: straw yellow with greenish highlights;

Bouquet: initial impressions of ripe white and yellow fruits, developing into clear notes of acacia, broom and orange blossom. Also relevant is the mineral content, typical of the terroir;

Taste: savoury and fresh, very lengthy. This wine mirrors the elegant structure, freshness and minerality of the indigenous varietal;

Food pairing: bearing in mind its mineral content, Inzolia is also suitable as an aperitif to match strong-flavours.

Outstanding with seafood: shell-fish, peppered mussels, sea-urchin and octopus. Also excellent with pasta (with/out seafood), fried fish or the delicacy of scampi and prawns. Glorious with sardine fish-balls.
