VOLUME: 750ml
ALCOHOL: 13.5%
ACIDITY: 5.99 g/l
RESIDUAL: 0.18 g/l

DESCRIPTION

Pinot Grigio 2017. At first glance, it is announced golden yellow with copper highlights which was given by a short cold skin maceration. On the nose it's complex. Rich in fruity aromas such as pear, cherries and apricots, which bind to the floral aromas of acacia wrapped in a light spicy sage scent. In the mouth it is structured, rich and enveloping, supported by a beautiful acidity which over time will highlight all the complexity of this wine. It is advisable to open the bottle 5-10 minutes before the tasting, at room temperature.
