Municipality of Jesi

**VOLUME:** 750ml

**ALCOHOL:** 13 - 13.5% variable  
with the vintage

**VARIETAL:** Montepulciano  
and Sangiovese

### DESCRIPTION

It is a wine with good drinkability and great fruitiness, both on the nose and in the mouth. The Montepulciano with which this wine is widely produced, is vinified in barriques for about 6-8 days. In this way, the extraction of the softer parts of the grapes is favored, obtaining a wine of good concentration and above all great fragrance.

**COLOR:** Internal ruby red with violet reflections.

**NOSE:** Hints of small red fruits, cherry and morello cherry in particular.

**TASTE:** Very soft and almost sweet in imparting a long fruity finish.

**PAIRINGS:** Ideal for aperitifs in general. Vincisgrassi of the Marche tradition, tagliolini with duck ragout and poultry in various preparations.

**SERVING TEMPERATURE:** 16° - 18° C.
