DESCRIPTION

It is a wine with good drinkability but without neglecting power and extracts. The purity of the fruit is enhanced by vinification in the absence of oxygen and subsequent aging on the lees for 2-3 months before being bottled. It highlights the characteristics of the Verdicchio grape focusing above all on the integrity of the varietal and therefore on the freshness of the aromas.

COLOR: bright straw yellow.

BOUQUET: Quite intense with flavors of Golden apple, cedar and chlorophyll.

PAIRINGS: First courses with rich white sauces, San Pietro fish, sole fillets, butter, chicken couscous and vegetables.

SERVING TEMPERATURE: 12 ° C.
