### DESCRIPTION

This premium Paso Robles Esser Cabernet Sauvignon was produced from sustainably farmed vineyards in picturesque Paso Robles County. These grapes benefit from a long growing season, abundant sunshine, and cool evening breezes, resulting in a wine that expresses terroir and true varietal character. The growing season was excellent without too much rain or extended heat. The fruit was picked in the early morning hours and processed at the nearby winery to be aged in both American Oak 20% and New Hungarian Oak 20% for 6 months.
